

- MY WEDDING PACKAGE -

Your day... Your way

♥ - WEDDINGS -

I'm not gonna lie (said in my best Nessa voice) I'm not the cheapest you can find.. but hey... we only get one shot at this so lets get it right... So...

what's included ? thats easy...everything !
from hair and make up in the morning to you and your closest pulling your best moves on the dance floor at night I cover it all..its your story and you are going to want to remember every single bit of it afterwards
I then edit your images in my own unique style and you get every image that tells your story on a swanky leather USB and also a password protected gallery so Aunt Betty can get her pic...its going to be a minimum of 350 .. usually many many more... but not too many that you want to rip your eye balls out

♥ - ENGAGEMENTS -

If you are scared to death at even the thought of the photography on your wedding day...then dont be I am a pro after all...however one of my engagement sessions would calm even the wobliest of nerves I love them...we get to hang out and you get to see just how easy it really is AND get some fab pics too they start at £350

♥ - ALBUMS -

You can have one any time like after the wedding.. I have something for everyone from gorgeous British linens and faux leathers (my biggest sellers) to beautiful Italian and American beasts....you can add on parent albums and even tiny ones for your handbag ...cute ! prices from £350
